Author Guidelines

Authors must follow the APA style of formatting text and references. When using APA format, follow the author-date method of in-text citation. This means that the author's last name and the year of publication for the source should appear in the text, for example, (Jones, 1998), and a complete reference should appear in the reference list at the end of the paper.

For more information, see Publication Manual of the American Psychological Association, Seventh Edition, 2020
