Peer review declaration

All conference organisers/editors are required to declare details about their peer review. Therefore, please provide the following information:

- **Type of peer review: Double-blind**

  ASAT 19 2021 uses double-blind review, the process is as follows:

  - ➤ In the title page the authors details (names and affiliations) are deleted.
  - ➤ Any refer to previous work should be in a passive way with replacement of authors names with "Anonymous" word.
  - ➤ Remove references to funding sources
  - ➤ Do not include acknowledgments

- **Conference submission management system:**

  Electronic Submission of a paper to ASAT-19 conference only requires the following steps:

  - ➤ *Registration and/or login:* The first time you use an online system "http://asat.conferences.ekb.eg/", you must register for an account. You will need your login information each time you return to the site.
  - ➤ *Entering manuscript information:* When submitting your paper in IOP style, the author must provide some basic information, such as title, authors, affiliations, abstract, etc.
  - ➤ *Reviewing and submitting the paper in* IOP style with a copy considering the peer-review instructions

- **Number of submissions received: 135**

- **Number of submissions sent for review: 120**

- **Number of submissions accepted: 46**

- **Acceptance Rate (Number of Submissions Accepted / Number of Submissions Received X 100): 38.5%**

- **Average number of reviews per paper: 2**

- **Total number of reviewers involved: 86**

- **Any additional info on review process: NON**

- **Contact person for queries:**
