

Acknowledgment to the Reviewers of Sohag Journal of Sciences in 2022

Sohag Journal of Sciences Editorial Office

Egyptian Knowledge Bank, Faculty of Science, Sohag University, Sohag 82524, Egypt.

Published online: 1st January 2023

Peer review is an essential component of producing high-quality academic publications. The Sohag Journal of Sciences maintains its high standards for publications due to the outstanding efforts of our reviewers. In 2022, the median time from the first decision to publication was 30 days due to the efforts of our reviewers. The Sohag Journal of Sciences would like to express its appreciation and thank the following reviewers for their time and dedication. This is regardless of whether the articles they reviewed were ultimately published.
