SVU-International Journal Of Medical Sciences
The official Journal of Faculty of Medicine- South
Valley University
Volume 6 (Issue2)
July-December, 2023

Editors in chief

: Prof. Ali Abdelrahman Ghweil

: Dr. Mohammed Hosny Hassan

Editorial Team

: Prof. Hamdy M. Hussein

: Prof. Ahmad Abolyosr

: Prof. Ahmed Hashem Abdellah

: Prof. Abdel-Rahman Abdel-Hamed Elsayed

: Prof. Salah Aseda

: Prof. Karam Mosallam

: Prof. Mohammed saad abdel-rahman

: Prof. Mohamed Ali Bedaiway

: Prof. AbdelNase AbdelGaber

: Prof. Uttam Budhathoki

: Prof. Ayman Mahdy

: Prof. Yacoub Khalaf

: Prof. Ahmed El-Abd Ahmed

: Prof. Hanan Mahmoud Fayed

: Prof. Spasoje Popevic

: Prof. Nilesh Patil

: Dr. Mohamed Wael M. Mustafa

: Dr. Heba Ahmed Osman

:Dr. Nezar Abo-Halawa

: Dr. Emad Abdel-Kahaar

Editorial Committee

**: Staff members of Faculty of Medicine- South Valley
University**

Published By

**: Faculty of Medicine - South Valley University –
Qena-Egypt**

ISSN

: Online (2636-3402)

: Print (2735-427X)

Contents

Volume 6, Number 2, July-December, 2023

<i>Title</i>	<i>Page</i>
• Study of Association between BMI and HbA1c Level in Newly-Diagnosed Type-2-Diabetes-Mellitus Patients	1
• Effect of paracetamol on the post-natal development of the medial prefrontal cortex in albino rat and the potential protective role of silymarin	10
• To compare the Fetomaternal outcome of natural birth versus induced birth after previous one caesarean section: A prospective Observational study	37
• Immunotherapy with Intralesional Candida Albicans Antigen in Plane Warts	49
• Malignant Melanoma – A Single Institutional Analysis On Real World Data	56
• The high prevalence of muscle invasive disease among bladder cancer patients attending a regional hospital in Durban, South Africa	68
• Evaluation Of Neopterin Level And Disease Severity In Patients With Psoriasis Vulgaris Treated With Narrowband UVB	81
• Biomarkers for prediction of acute kidney injury after Cardiac and Non-cardiac Elective Surgeries: A comparative observational study	88
• Post-COVID-19 pulmonary changes: A retrospective study of 72 patients based upon chest computed tomography findings	103
• Assessment of Retinal Nerve Fiber Layer Thickness Using Optical Coherence Tomography Before and After Ranibizumab Intravitreal Injection in Patients with Diabetic Macular Edema	120
• Diagnostic Value of Upper and Lower Endoscopy in Assessment of Patients with Microcytic Hypochromic Anaemia without Site-specific Gastrointestinal Manifestations	140
• Impact of diabetes mellitus on acute and short term left ventricular longitudinal systolic strain recovery after percutaneous coronary intervention in ischemic hypertensive patients	152
• The effect of the modified Glasgow prognostic score in metastatic gastric cancer	160
• The Impact of Restrictive Versus Conservative Intraoperative Fluid Strategies upon the Renal Outcome in Colorectal Surgeries. A Randomized Controlled Trial	169
• Effect of pre-emptive epidural Mg sulphate versus dexmedetomidine on postoperative analgesia requirement after open abdominal surgeries	181
• Laparoscopic Management of Perforated Peptic Ulcer: Multicenter Experience	187
• Clinical Profile of Neoplastic and Non-Neoplastic Lesions of Ovary: A Prospective Observational Study from Central Indian population	198
• Usefulness of Urine Uric Acid/Creatinine Ratio in Neonate as an Early Detector of Perinatal Hypoxia: A Hospital-Based Observational Study	206
• Bacteriological Profile and Antibiotic Resistance Pattern of Pathogens Causing Pyogenic Infections At A Tertiary Care Hospital in Central India	215
• Greater Occipital Nerve Block or Suboccipital Intramuscular Injections are effective for management of Postdural Puncture Headache: A placebo-controlled study	227
• Immunohistochemical Expression of Estrogen Receptor Beta in Urothelial Carcinoma of the Urinary Bladder	241

• Effect of Tadalafil on Penile Duplex parameters in Erectile Dysfunction Patients	249
• MALAT1 Gene Expression in Diabetic Patients with or without Nephropathy	256
• Impact of incentive spirometer on tip shoulder and right hypochondrial pain post laparoscopic cholecystectomy	266
• Impact of the follicular fluid Coenzyme Q10 level in women undergoing intracytoplasmic sperm injection (ICSI) on the pregnancy rate	279
• Comparative study of different incision types in inguinal lymphadenectomy: retrospective study	291
• Functional Impairment and Quality of Life of patients with Major Depressive Disorder in Euthymia	301
• Evaluation of different methods of performing cell block preparation and their role in accurate cytological diagnosis and reporting of fine needle aspiration cytology of the thyroid nodules	313
• Antinuclear Antibodies: A demographic profile from a Tertiary Healthcare Centre of Delhi	331
• Clinical presentations of Behcet's disease in Upper Egypt	340
• Validity of procalcitonin as diagnostic biomarker for infective endocarditis	347
• Comparative Study between Intrapolyp Corticosteroid Injection and Oral Corticosteroid in Treatment of Allergic Nasal Polyposis	353
• Intraoperative Color Doppler assessment of hepatic vasculature integrity: A Case Report	364
• The incidence of Iron Deficiency Anemia in Allergic Rhinitis patients in Qena University Hospital	371
• A Comparison between single-dose pregabalin and magnesium sulfate in induced hypotension during functional endoscopic sinus surgery: A prospective randomized double-blinded study	380
• The effect of application of topical tranexamic acid versus hydrogen peroxide on postoperative hemostasis in elective spine surgeries: a randomized controlled trial	389
• Role of serum Irisin in Early Detection of Subclinical Atherosclerosis and Endothelial Dysfunction in Patients with Behcet's Disease	399
• Surveillance for SARS-CoV-2 Variants of Concern and Initial Detection of Omicron using RT-PCR in the Kurdistan region of Iraq	408
• Psychosocial impact of COVID-19 in rising generation: An observational study from India	416
• Modified Dismembered Technique of Laparoscopic Transperitoneal Pyeloplasty in Children	427
• “Faculty experience during transition to new Competency Based Medical Education Curriculum” – A nationwide survey from India	445
• Early Outcomes of video-assisted thoracoscopic management of secondary spontaneous pneumothorax	452
• Prophylactic use of temporary uterine packing combined with topical tranexamic acid reduces blood loss and transfusion requirements in patients undergoing cesarean section: A double-blind, randomized controlled trial	459
• Revival of Endovascular Visual Assessment of Anastomotic Patency in Coronary Artery Bypass Graft Surgery	471
• Angiotensin-2 in ischemic cardiac patients	482
• Frequency and risk factors for Hepatitis C virus seropositivity in blood transfusion-dependent thalassemic patients in Qena hospitals	489
• Application of Artificial Intelligence in Pediatric Pulmonology: Current Scenario and Future Prospective	501
• Severe Toxicity Following Combined Overdose of Verapamil, Atenolol, Propafenone, and Simvastatin in a Suicidal Attempt: A case study	511

• Prevalence of Helicobacter Pylori Infection in Pregnant Women with Hyperemesis Gravidarum	522
• Outcome of Acute Kidney Injury (AKI) in Coronavirus Disease 2019 (COVID-19) patients	531
• The acceptance and determinants of COVID-19 vaccine among the hospital attendants in Qena city	541
• Role of Plasma MicroRNAs 145 and 484 in Diagnosis of Multiple Sclerosis, Disease Activity and the Transition from Relapsing Remitting Multiple Sclerosis to Secondary Progressive Multiple Sclerosis	553
• Rare hepatopulmonary hydatidosis in children from a rural district of West Bengal, India: A case series	563
• Evaluation of High-Frequency Repetitive Transcranial Magnetic Stimulation Role in improving Motor and Non-motor Manifestations of Parkinson's Disease in Minia University Hospital	568
• Prevalence and risk factors for fatigue among health care providers in Qena University Hospitals: A hospital based study	579
• Vitamin D mitigates hippocampus apoptosis induced by diabetes	586
• Endoscopic retrograde cholangiopancreatography versus conservative treatment for patients with symptomatic small common bile duct stones: A randomized controlled trial	597
• Pelvimetry among normal, healthy females using three-dimensional computed tomography in Sohag population: A retrospective Morphometric study regarding age	612
• Prolonged versus delayed laparoscopic cholecystectomy for acute cholecystitis: Time to change the concept – A multicenter randomized controlled trial	622
• Comparative Study between High Resolution Ultrasound and MRI in Diagnosis of Rotator Cuff Tears	639
• Results of Radial Head Prosthetic Replacement in Management of Radial Head Fracture in Terrible Triad Injury of the Elbow	652
• Outcomes of Karydakis Flap versus Modified Bascom Technique in Treatment of Pilonidal Sinus Disease	665
• Transabdominal pre-peritoneal (TAPP) versus totally extraperitoneal (TEP) laparoscopic techniques for inguinal hernia repair	676
• Genetic Profile of ACE (I/D) (rs4646994) Single Nucleotide polymorphism Among Sample of Egyptian patients with Alzheimer Disease in Upper Egypt	684
• The Efficacy of Canagliflozin on Type 2 Diabetic Nephropathy in Male Rats	695
• Effect of Quercetin on Diabetic Rat	708
• Evaluation of lung function in relation to employment years among workers exposed to cement dust in Qena cement factory	729
• Effect of High Fat Diet on the structure of Pancreas rat and the ameliorative effect of Vitamin D	736
• Micro-structural Auditory Pathway Changes in Patients with Sensorineural Hearing Loss with or without Tinnitus, could diffusion tensor imaging be valuable?	753
• Role of Cytokines in neonatal Respiratory distress syndrome: A review article	770
• Estimated Glycated albumin' levels early in pregnancy could detect women at risk to develop gestational diabetes mellitus	787
• Effect of viral load on hepatic fibrosis in patients with chronic hepatitis B patients: assessed by fibroscan	799
• Spare Opioid Use Protocol Improved the Outcomes of the Enhanced Recovery after Surgery Protocol for Patients Undergoing Laparoscopic Sleeve Gastrectomy for Morbid Obese Patients	808

• Can Vitamin D Supplemental Therapy improve the Disturbed Follicular Fluid Milieu and affect the Outcome of ICSI?	827
• Evaluation Of Choroidal Thickness Before and After Intravitreal Injection Of Anti Vascular endothelial growth factors for Treatment Of Diabetic Macular Edema using Optical Coherence Tomography	841
• The value of De Ritis ratio in patients undergoing percutaneous coronary intervention for prediction of contrast-associated acute kidney injury	851
• Long Term Effect of Muscle Transplantation in Large Angle Esotropia and Exotropia	863
• Evaluation of gastric tube as an operative procedure for esophageal replacement in pediatric age group: A single centre experience	880
• Detection of Sella Turcica Anomalies in Relation with Malocclusion. Lateral Cephalometric study in Sohag Population	900
• The medical and biochemical knowledge of health care professionals regarding the management of MERS-CoV: lessons from 2019 pilgrimage season in Al-Madinah, Saudi Arabia: A cross-sectional study	911
• Dacron Band versus de Vega Annuloplasty for Functional Tricuspid Regurgitation	924
• Effect of acrylamide on urinary bladder of adult male albino rats (histological and Immuno-histochemical study)	934
